

NATURAL SEDATIVE

RELAQUAX®

- Improves animal wellbeing and reduces the metabolic cost of stress.
- Reduces animal anxiety and its negative consequences.
- Controls behavior during transportation, minimizing carcass quality issues.

RELAQUAX®

An additive premix specially developed to mitigate the effects of stress in intensive farming.

BENEFIT

- Reduces the animal stress and its consequences on its behavior (bites, feather plucking, nervousness).

SPECIES: Poultry, pigs, fish, and crustaceans.

ADMINISTRATION

Administer orally, mixing with feed.

***Recommended dose:**

Poultry and Pigs: From 0.5 to 1.0 kg per tonne of feed, for 5 to 7 days.

Fish and Crustaceans: From 1 to 2 kg per tonne of feed, for 5 to 7 days.

* Dose according to the attending veterinarian's criteria.
